Two Glenbard East students earn perfect SAT scores

Glenbard East High School students David Luedtke and Justin Quam are two to watch. First they aced the ACT, and now they've done it with the SAT.

The two Lombard teens scored perfect 800/800 scores on the SAT. The SAT Reasoning Test (formerly SAT I: Reasoning Test), better known as the SAT, measures critical reading, writing, and mathematical reasoning skills.

Quam scored a perfect composite score of 36 on the ACT exam taken in April. He took the test on the national test date.

Luedtke was among only 30 Illinois students who earned a perfect composite score on the ACT when taking the college entrance exam as part of the Prairie State Achievement Exam in April.
